## 1.0 INTRODUCTION

---

Welcome to the 'E-Verify User Manual for E-Verify Employer Agents.' This manual provides guidance on E-Verify processes and outlines the rules and responsibilities for E-Verify employer agents enrolled in E-Verify. All users must follow the guidelines set forth in the 'E-Verify Memorandum of Understanding for E-Verify Employer Agents (MOU)' and the rules and responsibilities outlined in this manual.

For the purpose of this manual, the term 'E-Verify employer agent' means any U.S. company, corporation or business entity that is providing the service of verifying employees as a third party to 'clients' (employers) through the use of E-Verify. Clients are required to complete Form I-9, Employment Eligibility Verification, (referred to hereafter as Form I-9) for all new employees and must follow the guidelines set forth in the 'E-Verify Employer Agent - Client E-Verify MOU.'

This section introduces the background and overview, basic employer agent website navigation, participation, user roles, rules and responsibilities, and the privacy and security guidelines of E-Verify.

### 1.1 BACKGROUND AND OVERVIEW

In 1996, Congress passed the Illegal Immigration Reform and Immigrant Responsibility Act (IIRIRA), which required the Social Security Administration (SSA) and U.S Citizenship and Immigration Services (USCIS), formerly the Immigration and Naturalization Service, to initiate an employment verification pilot program. Under the U.S. Department of Homeland Security (DHS), U.S. Citizenship and Immigration Services operates the E-Verify program, previously referred to as Basic Pilot. E-Verify is an internet-based system that implements the requirements in IIRIRA by allowing any U.S. employer to electronically verify the employment eligibility of all its newly hired employees.

E-Verify is a voluntary program for most employers, but mandatory for some, such as employers with federal contracts or subcontracts that contain the Federal Acquisition Regulation (FAR) E-Verify clause and employers in certain states that have legislation that mandates the use of E-Verify for some or all employers.

**NOTE:** E-Verify cannot provide you with guidance on state or local laws that require your participation in E-Verify. For help, you should contact the appropriate state officials, or you may also be able to receive assistance through a local Chamber of Commerce.

Apart from any state or local law that requires participation in E-Verify, employers are fully responsible for complying with sections 274A (which addresses the requirements of the Form I-9 process) and 274B (which addresses unfair immigration-related employment practices) of the Immigration and Nationality Act. If employers fail to comply with either, then they may be subject to penalties.

E-Verify works by electronically comparing the information on an employee's Form I-9 with SSA, DHS, and U.S. Department of State (DOS) records to verify the identity and employment eligibility of each newly hired employee and/or employee assigned to a covered federal contract.

At this time, an employer can verify the employment eligibility of only one person at a time in E-Verify. All new, temporary, seasonal and rehired employees must be entered into E-Verify individually.

E-Verify is free and the best means available to determine the employment eligibility of new hires. E-Verify is currently available in all 50 states, the District of Columbia, Puerto Rico, Guam and the U.S. Virgin Islands.

**NOTE:** E-Verify Self Check, referred to as Self Check, is a free, fast, secure and voluntary online service that allows individuals to perform employment eligibility checks on themselves. Employers may not ask current or prospective employees to use Self Check to prove employment eligibility. The service is designed to provide visibility into government records, and if necessary, guidance on how to correct those records. Self Check is separate from the E-Verify user interface. For more information and specific rules visit [www.uscis.gov/E-Verifyselfcheck](http://www.uscis.gov/E-Verifyselfcheck).

Self Check does not satisfy or supersede the requirements of federal contractors subject to the Federal Acquisition Regulation (FAR) E-Verify clause, or any other employers, to use E-Verify.

## 1.2 BASIC E-VERIFY EMPLOYER AGENT WEBSITE NAVIGATION

All E-Verify users need to be familiar with the website navigation links. The figure below provides a screen shot of the E-Verify employer agent user Web page. The navigation links within each area vary depending upon the type of user.

Area 1 displays the E-Verify logo and the telephone number for Customer Support: 888-464-4218. Area 1 also includes a quick shortcut to begin the verification process. By clicking the green 'Verify Employee' button, you may begin the verification process.

Area 2 contains 'E-Verify News' which includes important updates on E-Verify, information affecting employment verification, best practices and current events.

Area 3 contains E-Verify navigation options which are identified in the 'Area 3 Navigation Overview.' Selecting a navigation menu link is the first step in accessing a task or function in E-Verify. Choosing an option displays the first active page where a user enters information. Each user's menu option is based on his or her assigned user role. For more information, see Section 1.4.

### 1.3 E-VERIFY PARTICIPATION: ENROLLMENT VS. REGISTRATION

It is important to understand the difference between enrollment and registration which are outlined in the 'Enrollment vs. Registration Overview.' For additional information, visit [www.dhs.gov/E-Verify](http://www.dhs.gov/E-Verify).

To check your company's enrollment status or your access method, contact:

E-Verify Customer Support Monday through Friday 8 a.m. – 5 p.m. local time  
Telephone: 888-464-4218 Email: [E-VerifyEmployerAgent@dhs.gov](mailto:E-VerifyEmployerAgent@dhs.gov)

If your company is enrolled and you need information about how to add additional users or about their functions, see Section 8.0.

#### **ENROLLMENT VS. REGISTRATION OVERVIEW**

	<b>ENROLLMENT</b>	<b>REGISTRATION</b>
<b>Who</b>	E-Verify employer agents enroll in E-Verify to participate in the program.	Program administrators register new users in E-Verify who are then able to create cases.
<b>How</b>	Visit the E-Verify enrollment website at <a href="https://e-verify.uscis.gov/enroll">https://e-verify.uscis.gov/enroll</a> .	Program administrators may register general users and additional program administrators at any time after completing the E-Verify tutorial and passing the knowledge test. For more information on adding new users, see Section 8.1.
<b>Why</b>	E-Verify employer agents voluntarily enroll to verify the work authorization status of newly hired employees of their clients.	Most enrolled E-Verify employer agents have multiple employees who use E-Verify to create cases. There is no limit on the number of users an enrolled E-Verify employer agent can register to create cases.

To participate in E-Verify, E-Verify employer agents must enroll online via any Internet-capable computer using a Web browser of Internet Explorer (6.0 and

above), Firefox (3.0 and above), Chrome (7.0 and above) and Safari (4.0 and above).

E-Verify employer agents must read and accept the electronic 'E-Verify Memorandum of Understanding for E-Verify Employer Agents (MOU)' which details the responsibilities of the Social Security Administration (SSA), the U.S. Department of Homeland Security (DHS) and the E-Verify employer agent. The MOU is electronically signed by the E-Verify employer agent during enrollment. All E-Verify users must agree to and follow the guidelines and user responsibilities outlined in the MOU and this manual. It is your company's responsibility to ensure that your users are prepared and capable of using E-Verify properly. Misuse of E-Verify may lead to legal liability for both the company and the user.

To enroll in E-Verify, visit the enrollment website. This website guides companies through the enrollment process. Additional information regarding enrollment is found at [www.dhs.gov/E-Verify](http://www.dhs.gov/E-Verify).

Participating companies use E-Verify through an access method determined during the enrollment process. An access method is a type of E-Verify account that offers different features for specific types of organizations. The four access methods include: employer, E-Verify employer agent, corporate administrator and Web services. The access methods are explained in the 'Access Method Overview.'

## **ACCESS METHOD OVERVIEW**

<b>ACCESS METHOD</b>	<b>EXPLANATION</b>
<b>Employer Access</b>	<p><b>My company plans to use E-Verify to verify its employees.</b></p> <p>Most E-Verify participants, regardless of their business size or structure, are enrolled under the employer access method. This access method allows a company to create cases in E-Verify for its newly hired employees and/or employees assigned to a covered federal contract. For more information, visit <a href="http://www.dhs.gov/E-Verify">www.dhs.gov/E-Verify</a>.</p>
<b>E-Verify Employer Agent Access</b>	<p><b>My company plans to use E-Verify on behalf of its clients to verify their employees.</b></p> <p>The E-Verify employer agent access method allows an individual or company to act on behalf of other companies to create cases in E-Verify for their newly hired employees and/or employees assigned to a covered federal contract. For more information, visit <a href="http://www.dhs.gov/E-Verify">www.dhs.gov/E-Verify</a>.</p>
<b>Corporate Administrator Access</b>	<p><b>My company has a central office that needs to manage E-Verify use for all of its locations that access E-Verify.</b></p> <p>Corporate administrator access is used only for managing multiple employer accounts and doesn't allow corporate administrator users to create and manage E-Verify cases. For more information, visit <a href="http://www.dhs.gov/E-Verify">www.dhs.gov/E-Verify</a>.</p>
<b>Web Services Access for Employers -or-</b>	<p><b>My company plans to develop its own software to access E-Verify.</b></p> <p>The Web services access method requires a company to develop software that interfaces with E-Verify to verify the employment eligibility of newly hired employees and/or employees assigned to a covered federal contract. The company's software will extract data from its</p>

<b>Web Services Access for E-Verify Employer Agents</b>	existing system or an electronic Form I-9 and transmit the information to E-Verify. If a company chooses this option, it is sent the Web services Interface Control Document. The Interface Control Document contains the information used to develop and test your software interface. Both employers and E-Verify employer agents are eligible to use this access method.

## **REMI NDER**

- \* Follow E-Verify procedures for ALL new hires while enrolled in E-Verify.

## **1.4 OVERVIEW OF USER ROLES**

Enrolled E-Verify employer agents can provide their employees access to E-Verify by assigning them a user role. Permissions and functions in E-Verify granted to the user depend upon the user role. There are two types of users: general users and program administrators. Review the permissions of each user role in the 'User Role Overview.'

General users and program administrators must successfully complete the online E-Verify tutorial before privileges to create or manage cases are granted. For more information on the specific functions of each user role, see Section 7.1.

### **USER ROLE OVERVIEW**

<b>USER ROLE</b>	<b>PERMISSIONS</b>
------------------	--------------------

<b>Program Administrator</b> (at least one required)	<p>A company must have at least one program administrator. The program administrator role includes functions of a general user.</p> <p>Permissions include:</p> <ul style="list-style-type: none"><li>• Enrolling new clients and updating client profile information</li><li>• Registering new users</li><li>• Creating user accounts for other program administrators and general users</li><li>• Creating and managing cases</li><li>• Viewing reports</li><li>• Updating profile information for other program administrators and general users</li><li>• Unlocking user accounts</li><li>• Closing company and user accounts</li></ul>
<b>General User</b> (optional)	<p>A company can have as many general users as it desires but is not required to have general users. The general user is responsible for following all E-Verify program rules and staying informed of changes to E-Verify policies and procedures.</p> <p>Permissions include:</p> <ul style="list-style-type: none"><li>• Enrolling new clients and updating client profile information</li><li>• Creating and managing cases</li><li>• Viewing reports</li><li>• Updating his/her own user profile</li></ul>

## 1.5 USER RULES AND RESPONSIBILITIES

All E-Verify users are bound by the guidelines set forth in the 'E-Verify Memorandum of Understanding for E-Verify Employer Agents (MOU)' and the rules and responsibilities outlined in this manual.

It is your responsibility to ensure that all users understand program rules. We recommend that you review with your users these rules and responsibilities periodically to ensure proper use of E-Verify and the protection of your employees' workplace rights.

All E-Verify users must follow the guidelines specified in the 'Rules and Responsibilities Overview.' Many of these requirements are the ultimate responsibility of the E-Verify employer agent's client. Representatives at each client site should be instructed to adhere to the following guidelines in conjunction with responsibilities outlined in the 'E-Verify Memorandum of Understanding for Client Employers of E-Verify Employer Agents (MOU).'

### RULES AND RESPONSIBILITIES OVERVIEW

When a new client is enrolled, E-Verify employer agents are required to print and provide to the client both the English and Spanish 'Notice of E-Verify Participation' and 'Right to Work' posters; both are displayed in the figure below. These should be displayed in the most appropriate location for viewing by potential and current employees. Both notices are found in E-Verify after you log in under 'View Essential Resources' (Section 1.2). In addition, E-Verify recommends providing a copy of these posters with job application materials, either online or in hard copy.

## 1.6 PRIVACY AND SECURITY STATEMENT

The use of E-Verify requires the collection of personally identifiable information. It is essential to protect the privacy of individuals who submit information to be processed through E-Verify. It is the responsibility of the employer/user to ensure that all personal information collected is safeguarded and used only for the purposes outlined in the 'E-Verify Memorandum of Understanding for Client Employers of E-Verify Employer Agents (MOU)' between E-Verify, the E-Verify employer agent and the client.

Failure to properly protect individuals' information can result in identity theft or fraud and can cause considerable inconvenience, harm or embarrassment to the individuals affected.

At a minimum, take the steps outlined in the 'Privacy Guidelines Overview' to protect personal information and comply with the appropriate regulations:

## PRIVACY GUIDELINES OVERVIEW

- ▶ **Allow ONLY authorized employees to use E-Verify.**  
Ensure that only the appropriate employees handle information and create cases.
- ▶ **SECURE access to E-Verify.**  
Protect the password you use to access E-Verify and ensure that unauthorized users do not gain access to E-Verify.
- ▶ **PROTECT and STORE individuals' information properly.**  
Ensure that employees' information is stored in a safe and secure location and that only authorized individuals have access to this information.
- ▶ **Discuss E-Verify results in PRIVATE.**  
Ensure that all case results including tentative nonconfirmation (TNC) and final nonconfirmation results are discussed in private with the employee.

## REMI NDER

- \* Ensure that all personally identifiable information is safeguarded.

To update client information in E-Verify, program administrators follow the steps outlined in 'Update Client Information – Process Overview.'

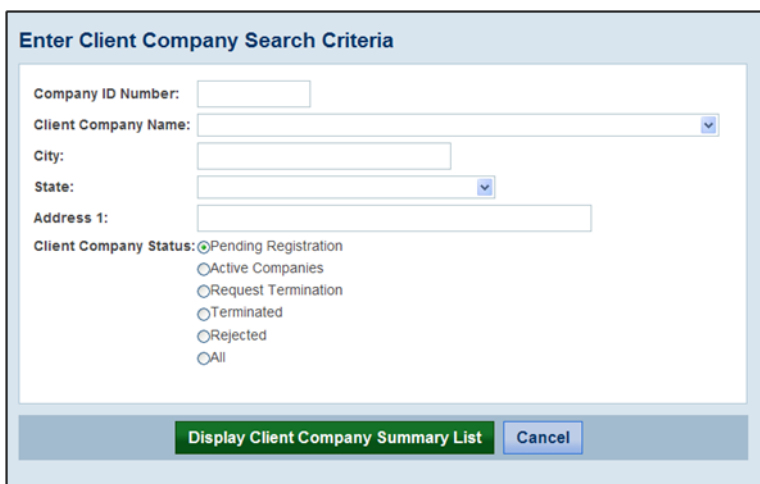

## UPDATE CLIENT INFORMATION – PROCESS OVERVIEW

- From 'My Clients,' select 'View Existing Clients.'

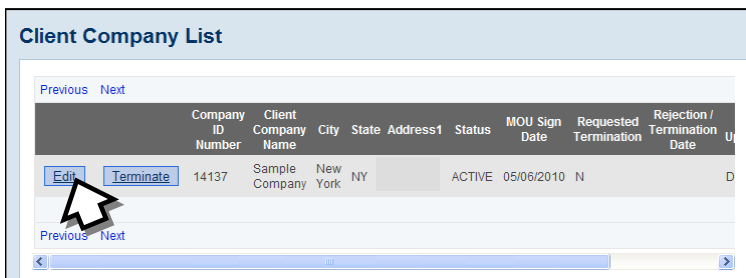

- Enter the client search criteria. Select 'Display Client Company Summary List.'

The screenshot shows the 'Enter Client Company Search Criteria' form. It includes fields for Company ID Number, Client Company Name, City, State, and Address 1. Below these fields are radio buttons for Client Company Status: Pending Registration (selected), Active Companies, Request Termination, Terminated, Rejected, and All. At the bottom are buttons for 'Display Client Company Summary List' and 'Cancel'.

- Click 'Edit' for the appropriate client.

The screenshot shows the 'Client Company List' table. The first row is highlighted, and the 'Edit' button is clicked. The table has columns for Company ID Number, Client Company Name, City, State, Address1, Status, MOU Sign Date, Requested Termination, and Rejection / Termination Date. The first row contains the following data: Company ID Number: 14137, Client Company Name: Sample Company, City: New York, State: NY, Address1: , Status: ACTIVE, MOU Sign Date: 05/08/2010, Requested Termination: N, and Rejection / Termination Date: D.

## 2.4 CLOSE CLIENT ACCOUNT

Any E-Verify account may be closed voluntarily. To close the account for a client, E-Verify employer agents must request termination electronically through E-Verify, see 'Close Client Account – Process Overview,' or submit a written termination notice by email to E-Verify@dhs.gov or by fax to 202-443-0215. A program administrator or the signatory of the MOU must submit written notice to E-Verify 30 days in advance of the date that the E-Verify employer agent would like to close the client account.

You must continue to use E-Verify in accordance with the MOU during this 30-day period or until you have received an email confirming that the client's account is closed, whichever is sooner. All open E-Verify cases still need to be closed, even if you request to close your client's E-Verify account.

**IMPORTANT:** Once an account is closed, all access to the account and its associated records is lost. To preserve the records from an E-Verify account, a complete user audit report, see Section 6.3, should be created and retained. E-Verify case information and documentation must be retained for your client's employees for the same length of time as their Forms I-9.

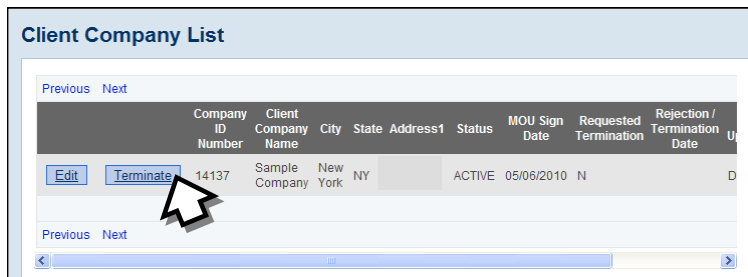

To request termination of client participation in E-Verify, follow the steps outlined in 'Close Client Account – Process Overview.'

## CLOSE CLIENT ACCOUNT – PROCESS OVERVIEW

- From 'My Clients,' select 'View Existing Clients.'

- Enter the client search criteria and click 'Display Client Company Summary List.'
- Click 'Terminate' for the appropriate client.

- Enter the reason for closing the account in the 'Terminate Request Reason' field.

 A screenshot of a web application form titled "Client Termination Request Information". At the top, a yellow banner asks: "Are you sure you want to request termination of Sample Company's access to E-Verify?". The form contains the following fields:
 

- Client Company Name: Sample Company
- Employer Identification Number: 0
- City: New York
- State: NY
- Administrator:
- MOU Sign Date: 05/06/2010
- Termination Request Date: 05/06/2010
- Termination Request Reason: (empty text box)

 At the bottom, there are two buttons: "Request Client Termination" and "Cancel".

- Click 'Request Client Termination.'
- A message will appear informing you that the E-Verify office will be notified of your request to close the client's E-Verify account.

## 3.0 INITIAL VERIFICATION

---

E-Verify employer agents are not able to create a case in E-Verify until they have enrolled at least one client. The initial verification page contains a field in which the E-Verify employer agent must select the employer (client) corresponding to the employee being verified.

The E-Verify verification process begins with a completed Form I-9. E-Verify makes employment eligibility determinations by comparing the employee's Form I-9 information entered into E-Verify with the information contained in Social Security Administration (SSA), U.S. Department of Homeland Security (DHS), and U.S. Department of State (DOS) records.

Information from Form I-9 is entered into E-Verify and a case result is provided. Case results ultimately determine an employee's work eligibility. E-Verify will determine a case result based on information in SSA, DHS, and DOS records. Case results can be initial, interim or final. Every case created in E-Verify receives a final case result before it is closed, and every case must be closed.

This section outlines the steps required to create a case in E-Verify and the initial case results provided by E-Verify.

### 3.1 FORM I-9 AND E-VERIFY

All employers are required to complete Form I-9 no later than the third business day after the employee starts work for pay and keep a record of the form on file. This requirement does not change for employers enrolled in E-Verify. Employers enrolled in E-Verify, through the use of an E-Verify employer agent, have chosen to take the additional step of verifying that Form I-9 employee information matches government records thereby ensuring a legal workforce. Clients of E-Verify employer agents and E-Verify employer agents themselves must become familiar with the procedure of completing Form I-9.

---

To view or download Form I-9, go to the following website:

<http://www.uscis.gov/files/form/i-9.pdf><http://www.uscis.gov/i-9>

For more information on Form I-9 procedures, refer to the 'View Essential Resources' link of the left navigation menu; you will find the 'Handbook for Employers: Guidance for Completing Form I-9 (M-274).'

To view or download the 'Handbook for Employers: Instructions for Completing Form I-9 (M-274),' go to the following website:

<http://www.uscis.gov/files/form/m-274.pdf>

For additional assistance on Form I-9 resources, contact E-Verify Customer Support Monday through Friday 8 a.m. – 5 p.m. at 888-464-4218.

---

Newly hired employees must complete Section 1 of Form I-9 in its entirety. Providing a Social Security number on Form I-9 is voluntary; however, a Social Security number is required by employers who use E-Verify. Therefore all newly hired employees, including seasonal, temporary, and re-hires MUST have a Social Security number.

A case cannot be created in E-Verify without a Social Security number. If a newly hired employee has applied for but has not yet received his or her Social Security number (i.e., if he or she is a newly arrived immigrant), make a note on the employee's Form I-9 and set it aside. The employee should be allowed to continue to work. You must create a case in E-Verify using the employee's Social Security number as soon as the Social Security number is available.

If the case was not created by the third day after the employee started work for pay, you must indicate the reason for this delay in E-Verify. You may choose a reason from the drop-down list or state a specific reason in the field provided.

Employers must complete Section 2 of Form I-9 in its entirety. To complete Section 2, employers must examine documents that establish the identity and employment eligibility of the employee. The employer may not specify which documents from the list of acceptable documents on Form I-9 an employee may choose to present.

Some documentation establishes both identity and employment eligibility (List A). Other documentation establishes identity only (List B) or employment eligibility only (List C). An employer may accept one document from List A, or a combination of one document from List B and one document from List C.

Any 'List B' document presented to an employer participating in E-Verify **MUST** contain a photo. However, if an employee objects to photo document requirements for religious reasons, call E-Verify at 888-464-4218. If the employee presents a U.S. Passport, Passport Card, a Permanent Resident Card (Form I-551) or an Employment Authorization Document (Form I-766) you must obtain a copy of it and retain it with Form I-9. For more information on Form I-9 retention guidelines, refer to the 'Handbook for Employers: Guidance for Completing Form I-9 (M-274).'

## RECEIPTS

Employers must consider whether or not they can create a case in E-Verify for an employee who has presented an acceptable receipt to complete Form I-9.

If the employee presents a receipt showing that he or she applied to replace a document that was lost, stolen or damaged, a case **cannot** be created in E-Verify. Presenting a receipt in this situation does not complete the Form I-9 process for E-Verify. You must wait until the employee presents the actual document for which the receipt was presented before you can create a case in E-Verify for the employee.

Employers may create a case in E-Verify for an employee who presents the following receipts:

- The arrival portion of Form I-94/I-94A with a temporary I-551 stamp and a photograph of the individual.
- The departure portion of Form I-94/I-94A with a refugee admission stamp.

For more information on acceptable receipts, see the 'Handbook for Employers: Guidance for Completing Form I-9 (M-274)' or visit [www.uscis.gov/i-9central](http://www.uscis.gov/i-9central).

## REHIRES

While employers must use E-Verify to verify the employment eligibility of employees who are rehired, they should never use E-Verify for reverification.

If you rehire an employee for whom you never created an E-Verify case and the employee's previous Form I-9 lists an expired identity document (List B), then you must complete a new Form I-9 and create a case for the employee in E-Verify.

If you rehire an employee for whom you created an E-Verify case, and the employee's previous Form I-9 lists an expired identity document (List B), then you may either:

- Complete Section 3 of the employee's previous Form I-9 and not create a new case for the employee in E-Verify; or
- Complete a new Form I-9 for the employee and create a new case for the employee in E-Verify.

## REMI NDER

- \* All newly hired employees need a Social Security number (see exception above)
- \* Do NOT specify or request which documentation a newly hired employee must use for Form I-9
- \* Any 'List B' document MUST contain a photo (see exception above)
- \* If the employee presents a U.S. Passport, Passport Card, a Permanent Resident Card (Form I-551) or an Employment Authorization Document (Form I-766) you must obtain a copy of it and retain it with Form I-9.

## 3.2 CREATE A CASE

The next step is to create a case in E-Verify. An E-Verify case must be created no later than the third business day after the employee starts work for pay. If the E-Verify employer agent learns that he or she has inadvertently failed to create a case by the third business day after the employee starts work for pay, the E-Verify employer agent should bring itself into compliance immediately by creating a case for the employee. Do not create a case for an employee hired before the effective date of your memorandum of understanding (MOU).

In some cases E-Verify prompts you to check the information provided or recreate the case before it can provide a case result. This section reviews each of these scenarios in detail.

## HIRE DATE

The hire date is the date the employee began (or will begin) work for pay. Enter the Section 2 'Certification' date from the employee's Form I-9, circled below, as the hire date in E-Verify.

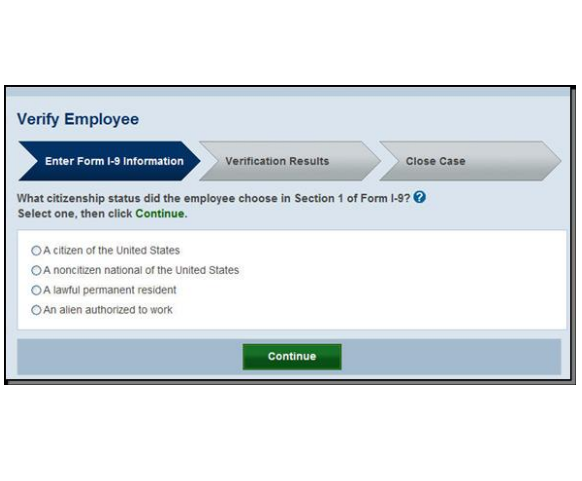

<b>Certification</b>				
I attest, under penalty of perjury, that (1) I have examined the document(s) presented by the above-named employee, (2) the above-listed document(s) appear to be genuine and to relate to the employee named, and (3) to the best of my knowledge the employee is authorized to work in the United States.				
The employee's first day of employment (mm/dd/yyyy) <span style="border: 2px solid red; border-radius: 50%; padding: 2px;">  </span> (See instructions for exemptions.)				
Signature of Employer or Authorized Representative		Date (mm/dd/yyyy)	Title of Employer or Authorized Representative	
Last Name (Family Name)		First Name (Given Name)	Employer's Business or Organization Name	
Employer's Business or Organization Address (Street Number and Name)		City or Town	State	Zip Code

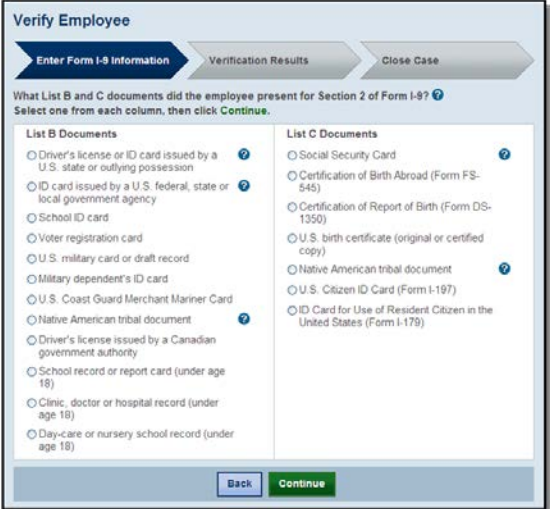

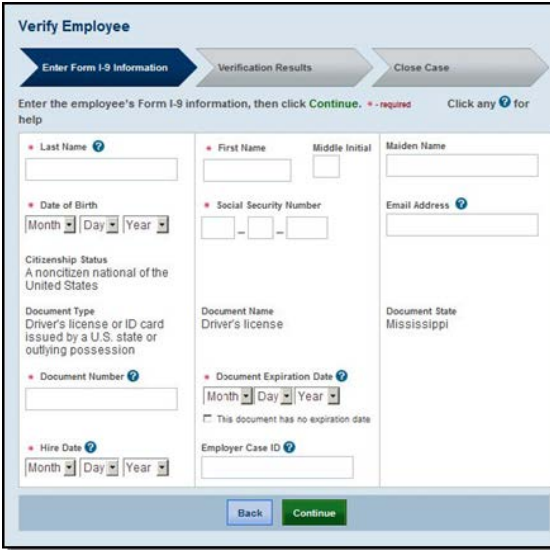

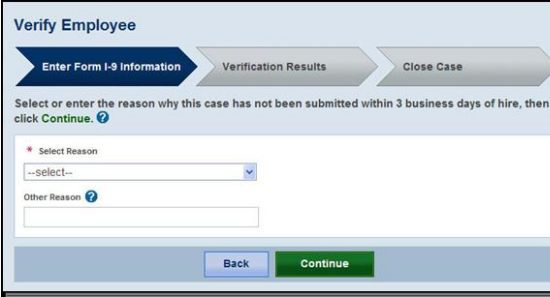

If you rehired an employee and completed Section 3 of Form I-9, enter the 'Date of Rehire' from Section 3 of the employee's Form I-9 as the hire date in E-Verify.

If the employee's hire date changes after you have created the case in E-Verify, no additional action is required in E-Verify as you cannot change the hire date once you've created the case. You must, however, make a correction to the Section 2 'Certification' date on the employee's Form I-9 if the employee's hire date changes. Consult the 'Handbook for Employers: Guidance for Completing Form I-9 (M-274)' for more information.

Employees hired on or before November 6, 1986, are not subject to Form I-9 or verification through E-Verify. Individuals hired for employment in the Commonwealth of the Northern Mariana Islands (CNMI) on or before November 27, 2009 are also not subject to Form I-9 or verification through E-Verify.

To create a case, take the information that the employee completed on his or her Form I-9 and enter it into E-Verify. E-Verify employer agents must obtain this information from their clients in order to create cases in E-Verify. To enter this information into E-Verify, you must first log in with your assigned user ID and password and then follow the steps outlined in 'How to Create a Case – Process Overview.'

HOW TO CREATE A CASE – PROCESS OVERVIEW		
1	<p>From the E-Verify Welcome page, find 'My Cases' and select:</p> <p>► <b>New Case</b></p>

Using information from Section 1 and 2 of Form I-9, enter all required information into each field.</p> <p>When the employee provides an email address on Form I-9, you must enter it into E-Verify. E-Verify may send the employee email notifications with information about his or her E-Verify case.</p> <p><b>IMPORTANT:</b> If you select 'An alien authorized to work' you may also be required to indicate that you are entering either the Alien number or I-94 number from the employee's Form I-9.</p> <p>Click 'Continue.'</p> <p><b>Employer Case ID</b> is an optional field for users who wish to assign an internal tracking code to a case.</p>	
<p><b>5</b></p>	<p>If an E-Verify case is not created by the third business day after the employee begins work for pay, the user must indicate the reason for the delay. Select from one of the following reasons:</p> <ul style="list-style-type: none"> <li>• <b>Awaiting Social Security number</b></li> <li>• <b>Technical Problems</b></li> <li>• <b>Audit Revealed that New Hire Was Not Run</b></li> <li>• <b>Other</b></li> </ul> <p>The user may also enter a specific reason in the field provided.</p>	

	Click 'Continue.'	
--	-------------------	--

 Each screen provides additional information simply by clicking any help text symbol. 

## REMI NDER

---

- \* Complete Form I-9 before creating a case in E-Verify
  - \* Enter the employee's email address if provided on Form I-9.
  - \* Create cases for all newly hired employees no later than the third business day after the employee starts work for pay
- 

## CHECK INFORMATION

If the information entered does not immediately match SSA DHS or DOS records, the 'Check Information' screen appears to confirm that the information was entered correctly. The user may either confirm that the information matches Form I-9 or change the information in certain fields if the information was entered incorrectly. Follow the steps in the 'Check Information – Process Overview.'

## CHECK INFORMATION OVERVIEW – PROCESS OVERVIEW

- E-Verify prompts you to review and confirm that the information entered into E-Verify is correct.

- Confirm that the information matches Form I-9 or make changes, if needed, and click 'Continue.'
- Some fields cannot be updated. If the information entered is not correct and the information cannot be updated, you must close the case by clicking 'Close Case.' Select the case closure statement: 'The case is invalid because the data entered is incorrect.'

**NOTE:** If you do not click 'Continue' or 'Close Case,' the case will receive a status of 'Case Incomplete.' To search for a case, see Section 4.3 'Case Alerts.'

## ERROR: UNEXPIRED DOCUMENT REQUIRED

If an expired U.S. Passport, Passport Card or driver's license was entered, E-Verify will display 'Error: Unexpired Document Required.' This means that E-Verify has NOT created a case for this employee. You must obtain an unexpired document for Form I-9 and re-enter the case.

As of April 3, 2009, all documents presented by an employee for Form I-9 must be unexpired (see exception below). If the document entered for an employee was expired when the employee was hired, you will need to obtain an unexpired document for Form I-9 and re-enter this employee's case in E-Verify when you have the new document.

Just because the employee presented an expired document does not mean that the employee is not authorized to work. E-Verify will verify the employment eligibility of the employee once you obtain an unexpired document and re-enter the case.

**Exception:** In very limited situations, you may accept an expired document with Form I-9 only if the U.S. Department of Homeland Security (DHS) has automatically extended the expiration date of the document via publication in the Federal Register. When such a document is presented for Form I-9, the expiration date is the extended date that appears in the DHS guidance or Federal Register Notice. In all other instances, the document presented with Form I-9 must be unexpired at the time the employee is hired. For information on this exception, visit [www.uscis.gov/tps](http://www.uscis.gov/tps).

## ERROR: UNEXPIRED DOCUMENT REQUIRED – PROCESS OVERVIEW

► E-Verify prompts an 'Error: Unexpired Document Required' case result.

**Error: Unexpired Document Required ?**

The information you entered indicates that the employee's U.S. Passport or Passport Card was expired when the employee was hired.

You must obtain an unexpired document for Form I-9 and re-enter the case in E-Verify.

To return to the E-Verify home page, click **E-Verify Home**.

To begin a new case, click **New Case**.

**E-Verify Home** **New Case**

► Obtain an unexpired document from the employee for Form I-9.

► Click 'New Case' and enter the employee's unexpired Form I-9 document information.

**IMPORTANT:** An expired document presented for Form I-9 does NOT mean that the employee is not authorized to work in the United States. Obtain an unexpired document and then re-enter the case in E-Verify. E-Verify will then return a case result to the employee.

## E-VERIFY PHOTO MATCHING

Photo matching is an automatic part of creating a case in E-Verify that prompts you to compare an employee's photo ID with a photo displayed on the E-Verify screen. This helps E-Verify employer agents ensure that the document provided is valid.

The photo matching step happens automatically. This may occur when you create a case for an employee who has presented a U.S. Passport, Passport Card, Permanent Resident Card (Form I-551) or an Employment Authorization Document (Form I-766) for his or her Form I-9 documentation. When the employee presents one of these documents and the Form I-9 information entered by the E-Verify employer agent matches DHS or DOS records, the employee's photo automatically displays in E-

Verify. You must make a copy of the employee's Form I-9 photo document and retain it with Form I-9 in order to match the photos. E-Verify employer agents must work with their clients to determine the best method of obtaining a copy of the employee's photo document.

Matching photos is easy—simply compare the photo displayed by E-Verify to the photo on the employee's actual document or a copy of the employee's document and determine if the photos are reasonably identical. This means that the photos should be identical, but you should take into account minor variations in shading and detail between the two photos based upon the age and wear of the employee's document and the quality of your computer monitor.

A watermark has been added to the photo displayed in E-Verify to prevent unauthorized use. The photo on the document presented by the employee will not have a watermark. Absence of a watermark on the document photo does not mean that it is not authentic.

E-Verify employer agents or their clients must not compare the photo displayed by E-Verify to the actual employee. The direct comparison between the document and the individual happens during Form I-9 completion, prior to E-Verify. The 'Photo Matching – Process Overview' provides a summary.

#### PHOTO MATCHING – PROCESS OVERVIEW

- ▶ E-Verify prompts you to compare a photo displayed in E-Verify with the employee's Form I-9 photo document. You must obtain a copy of the employee's document and retain it with Form I-9.
- ▶ Account for minor variations in shading and detail between the two photos and select Yes or No.

- ▶ Yes – the photo on the employee's actual document or a copy matches the photo displayed by E-Verify. Clothing, hair style, facing direction and appearance on the card should be identical to the photo displayed by E-Verify.
- ▶ No – the photo on the employee's actual document or a copy does not match the photo displayed in E-Verify.

**NOTE:** If 'No Photo on this Document' appears, select Yes.

► Click Continue.

**NOTE:** If you do not make a selection and click 'Continue,' the case will receive a status of 'Photo Matching Required.' To search for a case, see Section 4.3 'Case Alerts.'

**IMPORTANT:** Compare the photo displayed in E-Verify to the employee's Form I-9 photo document, not to the actual employee.

After a selection is made, one of the following case results will appear:

- ◆ EMPLOYMENT AUTHORIZED, Section 3.4
- ◆ DHS TENTATIVE NONCONFIRMATION (TNC), Section 4.3

Each case result requires different actions or steps to continue or close the case. These actions are outlined in each case result section throughout this manual.

## REMI NDER

- \* Employees always have a choice of which acceptable documents to present for Form I-9; you may NOT require workers to present documents that activate photo matching
- \* Copies must be made of all U.S. Passports, Passport Cards, Permanent Resident Cards (Form I-551) and Employment Authorization Documents (Form I-766) presented by employees and must be retained with Form I-9
- \* The photo will display automatically in E-Verify during the verification process
- \* Only compare the employee's Form I-9 photo document to the photo displayed in E-Verify

## 3.3 INITIAL CASE RESULTS

The information entered into E-Verify is checked against SSA, DHS, and DOS records. Once a case is created, a result is displayed. Initial Case Results are displayed in the 'Initial Case Results – Overview.' If you make a mistake after creating a case, you must close the case. For more information, see section 4.2.

INITIAL CASE RESULTS - OVERVIEW	
<b>Employment Authorized</b>	The employee's information matched SSA and/or DHS records. It's that easy!
<b>SSA or DHS Tentative Nonconfirmation (TNC)</b>	Information does not initially match SSA or DHS records. Additional action is required. For more information, see Section 4.0 Interim Case Results.
<b>DHS Verification In Process</b>	This case is referred to DHS for further verification.

### 3.4 EMPLOYMENT AUTHORIZED

An initial case result of 'Employment Authorized' is the most common and simple case result in E-Verify. 'Employment Authorized' means that the information entered into E-Verify matched SSA, DHS, and/or DOS records and that E-Verify verified the employment eligibility for the employee entered. It is that easy! However, a case that is 'Employment Authorized' is incomplete until it is closed. To close a case, see Section 5.2 'Close Case.'

'Employment Authorized' is considered both an initial case result and a final case result. This means that the only additional step required is to close the case in E-Verify.

Follow the steps outlined in the 'Employment Authorized – Process Overview.'

## EMPLOYMENT AUTHORIZED - PROCESS OVERVIEW

- Receive case result 'Employment Authorized.'

**Close Case**

- Check the information in E-Verify against the employee's Form I-9.
- Close Case.

A case result of 'Employment Authorized' requires the important step of closing the case. You must close each case; this does not happen automatically. Closing the case removes it from the active cases or the 'Open Cases to be Closed' list. To close each case, follow the steps outlined in Section 5.2 'Close Case.'

## REQUEST NAME REVIEW

In some cases E-Verify generates a case result of 'Employment Authorized,' but the name returned in E-Verify does not match exactly the name on Form I-9. This happens when the information matches but there are name variations in the DHS records. You must review the employee's name before a final case result can be determined. This will ensure that the case result belongs to the intended employee. E-Verify allows for a name review by following the steps outlined in the 'Request Name Review – Process Overview.'

**IMPORTANT:** You may not use this functionality in a discriminatory manner (e.g., based on an individual's race, national origin or ethnicity).

### REQUEST NAME REVIEW - PROCESS OVERVIEW

- ▶ Compare the name displayed in the yellow box with the name you entered which is shown in the white box.
- ▶ If the names match, click 'Close Case.'

## TENTATIVE NONCONFIRMATION (TNC)

A tentative nonconfirmation (TNC) case result means that the information entered into E-Verify from Form I-9 differs from SSA, DHS, or DOS records. E-Verify identifies the agency associated with the mismatch when the TNC result is provided.

An SSA TNC means that the information entered into E-Verify does not match SSA records. The section below outlines the specific steps required when this case result occurs. Included are descriptions of additional interim case results from SSA and actions the employee will need to take.

A DHS TNC means that the information entered into E-Verify does not match DHS records. The section below outlines the specific steps required when this case result occurs. Included are descriptions of additional interim case results from DHS and actions the employee will need to take.

Section 4.0 provides details and actions required of the employer when you receive a TNC.

### 3.5 DHS VERIFICATION IN PROCESS

A case result of 'DHS Verification in Process' means that the information did not match DHS records. The case is automatically referred to DHS for further verification. No action is required by you at this time. DHS will respond to most of these cases within 24 hours, although some responses may take up to three federal government workdays. Check E-Verify daily for a response. Follow the steps outlined in the 'DHS Verification in Process – Process Overview.'

**IMPORTANT:** You may not take any adverse action against an employee who receives a 'DHS Verification in Process' case result.

- Check E-Verify for changes to case results.

## 4.0 INTERIM CASE RESULTS

An interim case result requires additional action before E-Verify can provide a final case result and you can complete the verification process. Interim case results are displayed in the 'Interim Case Results – Overview.'

INTERIM CASE RESULTS - OVERVIEW	
<b>SSA or DHS Tentative Nonconfirmation (TNC)</b>	Information did not match SSA, DHS, or DOS records. Additional action is required.
<b>Review and Update Employee Data</b>	A prompt to review, update and resubmit the employee's Form I-9 information.
<b>DHS Verification In Process</b>	This case is referred to DHS for further verification. See section 3.5 for more information.
<b>SSA or DHS Case in Continuance</b>	The employee has visited an SSA field office, or contacted DHS, but more time is needed to determine a final case result.

**IMPORTANT:** You may not take an adverse action against an employee for any interim case result.

### 4.1 SSA TENTATIVE NONCONFIRMATION (TNC)

An 'SSA Tentative Nonconfirmation (TNC)' results when the information submitted in E-Verify does not initially match SSA records. An SSA TNC does not mean that the employee is not authorized to work in the United States.

An SSA TNC case result may occur because the employee's:

- Citizenship or immigration status was not updated with SSA
- Name change was not reported to SSA
- Name, Social Security number or date of birth is incorrect in SSA records
- SSA record contains another type of mismatch
- Information was not entered correctly by the employer

The employee must be notified of this result as soon as possible by following the steps outlined in the 'Notify Employee of SSA TNC – Process Overview.'

## **NOTIFY EMPLOYEE OF SSA TNC**

You must inform the employer of the 'SSA Tentative Nonconfirmation (TNC)' as soon as possible. It is then the employer's responsibility to promptly notify the employee.

When notified of the SSA TNC, the employee chooses to either contest or not contest the case result. In either case, the employee acknowledges his or her decision on the 'Notice to Employee of Tentative Nonconfirmation,' also called a TNC notice. When an employee chooses to contest an SSA TNC, it means that the employee will visit a SSA field office within eight federal government workdays.

If the employee chooses not to contest the SSA TNC, he or she acknowledges that the employer may terminate employment with no civil or criminal liability as noted in Article II, Section C – Responsibilities of the Employer (#6) in the memorandum of understanding (MOU).

If the employee chooses not to contest the SSA TNC, the case automatically becomes a final nonconfirmation (FNC). The E-Verify employer agent can close the case in E-Verify and the employer can terminate employment without penalty. For more information see Section 5.2 'Close Case.'

The employee has ten business days after the employer notifies them of an SSA TNC to decide whether they wish to contest or not. If, after you and the employer have followed the steps below to notify the employee, he or she does not notify the employer of his or her decision, in ten business days, you may consider this case a FNC. You may close the case in E-Verify, and the employer may terminate employment based on this result.

To notify an employee of the SSA TNC case result, follow the steps outlined in the 'Notify Employee of SSA TNC – Process Overview.'

Translated versions of the TNC notice are available in several foreign languages in the 'View Essential Resources' section of E-Verify.

**IMPORTANT:** The employer may provide the TNC notice to the employee in person, by fax, email, or overnight or next-day delivery service, as long as you take the proper precautions to ensure the employee's information is protected. The TNC notice is time sensitive; therefore, if you use a mail delivery service it must be one that can provide a confirmed delivery date.

## REFER EMPLOYEE TO SSA

After being notified of the 'SSA Tentative Nonconfirmation (TNC),' the employee chooses to contest or not contest the case result and acknowledges his or her decision on the 'Notice to Employee of Tentative Nonconfirmation,' also called a TNC notice. An employee who chooses to contest an SSA TNC is referred to the Social Security Administration.

E-Verify generates a 'Referral to the Social Security Administration' also called an SSA referral letter that you must provide to the employer. The employee must provide this letter to SSA if he or she chooses to contest. The E-Verify employer agent verifies the information, prints and provides the letter to the employer. The employer verifies the information, signs and provides this letter to the employee. The SSA referral letter provides instructions to the employer and employee regarding the next steps. These steps are outlined in the 'Refer Employee to SSA – Process Overview.'

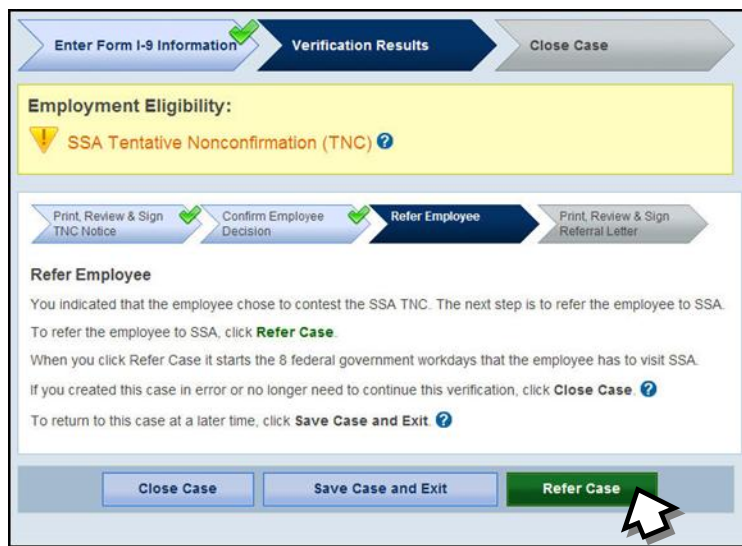

An employee who chooses to contest the SSA TNC has eight federal government workdays to visit an SSA field office to begin resolving the TNC. The employee must provide this letter to SSA when he or she visits an SSA field office. Federal government workdays are Monday through Friday except for federal holidays. The eight federal government workdays begin when the case is referred to SSA in E-Verify. The date by which the employee must visit SSA is printed on the SSA referral letter. Because the eight federal government workdays begin on the date the case is referred, it is important to provide the SSA referral letter to the worker promptly.

Employers may not terminate, suspend, delay training, withhold pay, lower pay or take any other adverse action against an employee based on the employee's decision to contest an SSA TNC or while his or her case is still pending with SSA.

To refer an employee to visit an SSA field office, E-Verify employer agents follow the steps outlined in the 'Refer Employee to SSA – Process Overview.'

**IMPORTANT:** Once the SSA referral letter is signed, the employer may provide it to the employee in person, fax, email, overnight or next-day delivery service, as long as you take proper precautions to ensure the employee's information is protected. The SSA referral letter is time sensitive; therefore, if you use a mail delivery service, it must be one that can provide a confirmed delivery date.

**4.2 REVIEW AND UPDATE EMPLOYEE DATA**

In some instances, a case result of 'Review and Update Employee Data' occurs and you will receive a prompt to review, update and resubmit the employee's information. This means that SSA found a discrepancy in the information it received in the E-Verify referral.

A 'Review and Update Employee Data' update occurs for reasons including typographical errors and/or incorrect information provided on Form I-9. This case result does not mean that the employee is not authorized to work.

This requires the employer to review Form I-9 with the employee and return the correct information to the E-Verify employer agent. The E-Verify employer agent must update the case by following the steps provided in the 'Review and Update Employee Data – Process Overview.'

**REVIEW AND UPDATE EMPLOYEE DATA – PROCESS OVERVIEW**

### 4.3 DHS TENTATIVE NONCONFIRMATION (TNC)

A 'DHS Tentative Nonconfirmation (TNC)' results when the information submitted to E-Verify does not initially match DHS or DOS records. A DHS TNC does not mean that the employee is not authorized to work in the United States.

A DHS TNC case result occurs because the employee's:

- Name, Alien number and/or I-94 number are incorrect in DHS records
- U.S. Passport, Passport Card, driver's license or state ID card information could not be verified
- Information was not updated in his/her DHS records
- Citizenship or immigration status changed
- Record contains another type of error
- Information was not entered correctly by the employer

The employee is notified of this result by following the steps in 'Notify Employee of DHS TNC – Process Overview.'

#### *NOTIFY Employee OF DHS TNC*

You must inform the employer of the 'DHS Tentative Nonconfirmation (TNC)' as soon as possible. It is then the employer's responsibility to promptly notify the employee.

When notified of the DHS TNC, the employee chooses to contest or not contest the DHS TNC case result and indicates his or her decision on the 'Notice to Employee of Tentative Nonconfirmation,' also called a TNC notice. When an employee chooses to contest a DHS TNC, the employee is responsible for contacting the DHS within eight federal government workdays.

If the employee chooses not to contest, he or she acknowledges that the employer may terminate employment with no civil or criminal liability as noted in Article II, Section C – Responsibilities of the Employer (#6) in the memorandum of understanding (MOU).

If the employee chooses not to contest the DHS TNC, the case automatically becomes a final nonconfirmation (FNC). The E-Verify employer agent can close the case in E-Verify and the employer can terminate employment without penalty. For more information see Section 5.2 'Close Case.'

The employee has ten business days after the employer notifies them of a DHS TNC to decide whether they wish to contest or not. If, after you and the employer have followed the steps below to notify the employee, he or she does not notify the employer of his or her decision, in ten business days, you may consider this case a final nonconfirmation (FNC). You may close the case in E-Verify, and the employer may terminate employment based on this result.

To notify an employee of the DHS TNC case result, follow the steps outlined in the 'Notify Employee of DHS TNC – Process Overview.'

#### *REFER EMPLOYEE TO DHS*

After being notified of the 'DHS Tentative Nonconfirmation (TNC),' the employee chooses to contest or not contest the case result and acknowledges his or her decision on the 'Notice to Employee of Tentative Nonconfirmation,' also called a TNC notice. An employee who chooses to contest a DHS TNC must be referred to the U.S. Department of Homeland Security (DHS) by the E-Verify employer agent.

E-Verify generates a 'Referral to the U.S. Department of Homeland Security' also called a DHS referral letter, that is provided to the employer who provides it to the employee. The E-Verify employer agent confirms the information, prints and provides this letter to the employer. The employer confirms the information, signs, dates and provides this letter to the employee. The DHS referral letter provides instructions to the employer and employee regarding the next steps. These steps are outlined in 'Refer Employee to DHS – Process Overview.'

An Employee who chooses to contest a DHS TNC has eight federal government workdays to contact DHS to begin resolving the TNC. Federal government workdays are Monday through Friday excluding federal holidays. The eight federal government workdays begin when the case is referred to DHS in E-Verify. The date by which the employee must contact DHS is printed on the DHS referral letter. Because the eight federal government workdays begin on the date the case is referred, it is important to provide the DHS referral letter to the worker promptly.

IF THE E-VERIFY EMPLOYER AGENT FAILS TO MATCH PHOTOS DURING E-VERIFY PHOTO MATCHING, A PHOTO MISMATCH TNC MAY OCCUR. A PHOTO MISMATCH TNC REQUIRES AN ADDITIONAL STEP BUT FOLLOWS THE SAME GUIDELINES OF ANY TNC. IF THE EMPLOYEE CHOOSES TO CONTEST THE PHOTO MISMATCH TNC THE EMPLOYEE MUST BE REFERRED TO DHS, AND THE E-VERIFY EMPLOYER AGENT MUST SEND A COPY OF THE PHOTO ID DOCUMENT TO E-VERIFY.

Employers may not terminate, suspend, delay training, withhold pay, lower pay or take any other adverse action against an employee based on the employee's decision to contest a TNC or while his or her case is still pending with DHS.

To refer an employee to DHS, follow the steps outlined in the 'Refer Employee to DHS – Process Overview.'

**Refer Employee**

You indicated that the employee chose to contest the DHS TNC. The next step is to submit a copy of the employee's photo document and refer the employee to DHS.

You may attach an electronic copy of the photo document on this page or send a paper copy to DHS via express mail.

To submit a copy of the employee's photo document, select one of the options below, follow the instructions, then click **Refer Case**.

When you click Refer Case it starts the 8 federal government workdays that the employee has to contact DHS.

To return to this case at a later time, click **Save Case and Exit**.

**Close Case** **Save Case and Exit** **Refer Case**

- After you complete the above, click 'Refer Case.'
- After you have referred the case, complete the following steps:
  1. Select the DHS referral letter in either English or Spanish and confirm that the name and Social Security number listed on the top of the letter are correct. Print the DHS referral letter.

If the employee cannot read, the employer must read the DHS referral letter to the employee. If the employee does not fully understand English, you must provide the

employee with a translated version of the referral letter, if it is available. Translated versions of the referral letter are available in several foreign languages in the 'View Essential Resources' section of E-Verify.

**IMPORTANT:** Once the DHS referral letter is signed, you may provide it to the employee in person, fax, email, overnight or next-day delivery service, as long as you take proper precautions to ensure the employee's information is protected. The DHS referral letter is time sensitive; therefore, if you use a mail delivery service, it must be one that can provide a confirmed delivery date.

2. Send the DHS referral letter to the employer as soon as possible and instruct him or her to review and explain the next steps to the employee. Instructions to the employer are on page one of the SSA referral letter and the employee instructions are on page two.
3. Instruct the employer and the employee to sign and date the letter.
4. Instruct the employer to give a copy of the signed SSA referral letter in English to the employee and file the original letter with Form I-9.
5. After these steps are complete, select 'Continue.'

- The employee has been referred to DHS, and the case status is 'Employee Referred to DHS.' The employee has eight federal government workdays to contact DHS to begin resolving the TNC.
- Check E-Verify for case updates.

The screenshot displays the 'Verification Results' section of the E-Verify system. At the top, a progress bar shows three steps: 'Enter Form I-9 Information' (completed with a green check), 'Verification Results' (current step), and 'Close Case'. Below this, a yellow banner indicates 'Employment Eligibility: Employee Referred to DHS' with a warning icon. A secondary progress bar shows four steps: 'Print, Review & Sign TNC Notice' (completed), 'Confirm Employee Decision' (completed), 'Refer Employee' (current step), and 'Print, Review & Sign Referral Letter' (completed). The main content area is titled 'Check for Case Status Updates' and contains the following text: 'This employee was referred to DHS on **March 15, 2010**. The employee has until **March 25, 2010**, to contact DHS. E-Verify will update the employee's case status by **March 29, 2010**. E-Verify will alert you to an update through the case status alert feature on the E-Verify home page. Be sure to log in to E-Verify periodically — you'll need to close the case once it is updated with a final status. To reprint the DHS Referral Letter, select **Reprint Letter**.' Below this text is a form titled 'DHS Referral Letter' with a dropdown menu set to 'English' and a 'Reprint Letter' button. At the bottom, there are three buttons: 'E-Verify Home', 'Close Case', and 'New Case'.

**IMPORTANT:** You should ONLY close the case when E-Verify provides a final case result or if you no longer need to continue to verify the employment eligibility of this employee.

After ten federal government workdays E-Verify will provide one of the following case results:

- ◆ EMPLOYMENT AUTHORIZED, Section 3.4
- ◆ DHS FINAL NONCONFIRMATION, Section 5.1
- ◆ DHS CASE IN CONTINUANCE, Section 4.4
- ◆ DHS NO SHOW, Section 5.1

Each case result requires different actions or steps to continue or close the case. These actions are outlined in each case result section throughout this manual.

## 4.4 SSA CASE IN CONTINUANCE AND DHS CASE IN CONTINUANCE

An 'SSA or DHS Case in Continuance' indicates that the employee has visited a SSA field office and/or contacted DHS, but more time is needed to determine a final case result. The reason SSA or DHS needs more time varies with each situation. The E-Verify employer agent should check E-Verify daily for case status updates. Employers cannot terminate or take adverse action against an employee while SSA or DHS is reviewing the employee's case.

Once SSA or DHS have updated E-Verify, one of the following case results shows:

For DHS CASE IN CONTINUANCE:

- ♦ EMPLOYMENT AUTHORIZED, Section 3.4
- ♦ DHS FINAL NONCONFIRMATION, Section 5.1

For SSA CASE IN CONTINUANCE:

- ◆ EMPLOYMENT AUTHORIZED, Section 3.4
- ◆ SSA FINAL NONCONFIRMATION, Section 5.1
- ◆ REVIEW AND UPDATE EMPLOYEE DATA, Section 4.2
- ◆ DHS VERIFICATION IN PROCESS, Section 3.5

Each case result requires different actions or steps to continue or close the case. These actions are outlined in each case result section throughout this manual.

**NOTE:** If a case has a 'SSA or DHS Case in Continuance' result for more than 60 federal government workdays, contact E-Verify Customer Support at 888-464-4218 or [E-Verify@dhs.gov](mailto:E-Verify@dhs.gov).

## 5.0 FINAL CASE RESOLUTION

To complete the E-Verify process, every case must receive a final case result and then be closed. Closing a case is easy; E-Verify guides you through the process after you receive a final case result.

### 5.1 FINAL CASE RESULTS

Final Case Results are displayed in the 'Final Case Results – Overview.'

FINAL CASE RESULTS - OVERVIEW	
<b>Employment Authorized</b>	The employee's information matched SSA DHS, and/or DOS records. It's that easy! See section 3.4.
<b>SSA or DHS Final Nonconfirmation</b>	E-Verify cannot verify an employee's employment eligibility after the employee has visited SSA or contacted DHS.
<b>DHS No Show</b>	The employee did not contact DHS within the required eight federal government workdays.
<b>Error: Close Case and Resubmit</b>	This case cannot continue because the expiration date entered for the employee's U.S. Passport, Passport Card or driver's license is incorrect. This case must be resubmitted in E-Verify.

### SSA FINAL NONCONFIRMATION AND DHS FINAL NONCONFIRMATION

An 'SSA or DHS Final Nonconfirmation' case result is received when E-Verify cannot verify an employee's employment eligibility after an employee has visited a SSA field office or contacted DHS during the tentative nonconfirmation (TNC) referral process. Once an 'SSA or DHS Final Nonconfirmation' has been provided, you must close the case.

The employer may terminate employment based on a case result of 'SSA or DHS Final Nonconfirmation' with no civil or criminal liability as noted in Article II, Section C – Responsibilities of the Employer (#6) in the memorandum of understanding (MOU).

The screenshot shows the E-Verify interface for a 'DHS Final Nonconfirmation' case. The process flow at the top indicates that 'Enter Form I-9 Information' and 'Verification Results' are completed, and the user is now at the 'Close Case' step. The main content area shows the employee's name as 'Ali Jones' and a message from DHS stating they could not confirm authorization to work in the United States. A button labeled 'View/Print Case Details' is available for further action.

The screenshot shows the E-Verify process flow: Enter Form I-9 Information (checked), Verification Results (checked), and Close Case. Below the flow, the 'Employment Eligibility' section displays a red octagon icon and the text 'SSA Final Nonconfirmation'. A message states: 'SSA could not confirm that George Washington is authorized to work in the United States. To complete the verification process, click Close Case.' A 'View/Print Case Details' button is also visible.

## DHS NO SHOW

A 'DHS No Show' indicates that the employee did not contact DHS within the required eight federal government workdays. A 'DHS No Show' case result is considered a final nonconfirmation. A final nonconfirmation means that the case must be closed in E-Verify.

The employer may terminate employment based on a case result of 'DHS No Show' with no civil or criminal liability as noted in Article II, Section C – Responsibilities of the Employer (#6) in the memorandum of understanding (MOU).

The screenshot shows the E-Verify process flow: Enter Form I-9 Information (checked), Verification Results (checked), and Close Case. Below the flow, the 'Employment Eligibility' section displays a red octagon icon and the text 'DHS No Show'. A message states: 'DHS could not confirm that Su Lin is authorized to work in the United States and the employee did not contact DHS within the 8 federal government workdays. This response is considered a final nonconfirmation. To complete the verification process, click Close Case.' A 'View/Print Case Details' button is also visible.

## ERROR: CLOSE CASE AND RESUBMIT

If E-Verify prompts an 'Error: Close case and Resubmit' case result you cannot continue the case because the expiration date you entered for the employee's U.S. Passport, Passport Card or driver's license is incorrect.

When you close the case in E-Verify select the closure statement option: 'The case is invalid because the data entered is incorrect.'

You must submit a new case for this employee because you cannot change document information for a case that has already been submitted. Therefore, you must close this case and create a new case for this employee using the correct document expiration date.

**IMPORTANT:** This does not mean that the employee is not authorized to work. E-Verify will verify the employment eligibility of this employee once you create a new case and enter the correct document expiration date.

## ERROR: CLOSE CASE AND RESUBMIT SUMMARY

### E-VERIFY EMPLOYER AGENT ACTION

- Receive 'Error: Close Case and Resubmit' case result
- Inform the client of the result
- Close case using closure statement: 'The case is invalid because the data entered is incorrect'
- Resubmit case using the correct document expiration date for the U.S. Passport, Passport Card or driver's license

### CLIENT ACTION

- Ensure that the information provided to the E-Verify employer agent is correct and/or provide the correct document expiration date for the U.S. Passport, Passport Card or driver's license

#### EMPLOYEE ACTION

- If necessary provide employer with unexpired U.S. Passport, Passport Card or driver's license

## 5.2 CLOSE CASE

E-Verify employer agents must close EVERY case created in E-Verify. There are 11 possible case closure statements. To assist you in making the correct choice and to reduce the number of options, E-Verify requires you to state whether the employee is still employed. To close a case, E-Verify employer agents follow the steps outlined in the 'Close Case – Process Overview.'

### CLOSE CASE – PROCESS OVERVIEW

- Click 'Close Case.'

- Next, determine if the employee is still employed with the company. Select yes or no and click 'Continue.' Your response to the question "Is (employee's name) currently employed with this company?" will determine which case closure statement options will appear on the next screen.

- Next, select the most appropriate statement and click 'Continue.'

- Record the case verification number on the employee's Form I-9, or print the screen and file it with the employee's Form I-9.

Last Name	First Name	Middle Initial
Maiden Name	Date of Birth	Social Security Number
Citizenship Status A noncitizen national of the United States	Document Type Unexpired U.S. Passport or U.S. Passport Card	Document Number
Hire Date March 12, 2010	Employer Case ID	Document Expiration Date
Submitted By	Submitted On March 15, 2010	

- This completes the E-Verify verification process.

Every case created in E-Verify MUST be closed. To close a case, select one of the case closure statements. E-Verify will present only those options that are relevant to each case. In some scenarios, not all of the case closure statements are available.

## NOTE – CLOSE CASE

When answering the question, “Is the employee currently employed with this company?” it is important to consider the following:

- ▶ If you have an employee who didn’t contest a tentative nonconfirmation (TNC), or who received a final nonconfirmation or ‘DHS No Show,’ decide whether you will allow the employee to continue working. If you decide to:
  - Continue the employee’s employment, then select ‘Yes.’
  - Terminate the employee’s employment, do so, then select ‘No.’
- ▶ If you have an employee who has accepted a job offer, but hasn’t yet started work, decide whether you will allow the employee to start working. If you decide to:
  - Allow the employee to start work as planned, then select ‘Yes.’
  - Terminate the employee’s employment offer, do so, then select ‘No.’

## CASE CLOSURE STATEMENTS

- ▶ **The employee continues to work for the employer after receiving an Employment Authorized result.**  
E-Verify has verified that the employee is eligible to work in the United States and the employee continues to work for the employer.
- ▶ **The employee continues to work for the employer after receiving a Final Nonconfirmation result.**  
E-Verify cannot verify that this employee is authorized to work in the United States. The employee had contested the tentative nonconfirmation (TNC), but was unable to resolve it. The employer chooses to exercise its legal right to allow the employee to continue to work.
- ▶ **The employee continues to work for the employer after receiving a No Show result.**  
E-Verify cannot verify that this employee is authorized to work in the United States. The employee had contested the tentative nonconfirmation (TNC), but did not take action to resolve it. The employer chooses to exercise its legal right to allow the employee to continue to work.
- ▶ **The employee continues to work for the employer after choosing not to contest a Tentative Nonconfirmation.**  
E-Verify cannot verify that this employee is authorized to work in the United States. The employee chose not to contest the tentative nonconfirmation. The employer chooses to exercise its legal right to allow the employee to continue to work.
- ▶ **The employee was terminated by the employer for receiving a Final Nonconfirmation result.**  
E-Verify cannot verify that this employee is authorized to work in the United States. The employee had contested the tentative nonconfirmation, but was unable to resolve it. The employer terminated the employee because of the final nonconfirmation result.

► **The employee was terminated by the employer for receiving a No Show result.**

E-Verify cannot verify that this employee is authorized to work in the United States. The employee had contested the tentative nonconfirmation (TNC), but did not take action to resolve it. The employer terminated the employee because of the 'no show' result.

► **The employee was terminated by the employer for choosing not to contest a Tentative Nonconfirmation.**

E-Verify cannot verify that this employee is authorized to work in the United States. The employee chose not to contest the tentative nonconfirmation (TNC). The employer terminated the employee because the employee chose not to contest the TNC.

► **The employee voluntarily quit working for the employer.**

The employee chose to stop working for the employer.

► **The employee was terminated by the employer for reasons other than E-Verify.**

The employer terminated the employee for reasons unrelated to E-Verify.

► **The case is invalid because another case with the same data already exists.**

An E-Verify case with the same data was already created for this employee. This is a duplicate case.

**NOTE:** If a case is closed as invalid, it does not void the case or change the case result. A case closed as invalid will still display the last case result even though it has been closed.

► **The case is invalid because the data entered is incorrect.**

The data entered for this employee was not correct.

**NOTE:** If a case is closed as invalid, it does not void the case or change the case result. A case closed as invalid will still display the last case result even though it has been closed.

Each case created in E-Verify and assigned a case verification number must be closed. The 'Open Cases to be Closed' case alert provides quick access to all cases that need to be closed. Features of this tab include:

- ◆ Sort cases by: status, last name, first name, case number or hire date
- ◆ A quick link to each case by clicking on the case number

### *Cases with New updates*

The 'Cases with New Updates' case alert is a quick link to all cases that have had a change in case result. All interim case results must receive a final case result and be closed. This alert is an easy way to manage these cases.

## WORK AUTHORIZATION DOCUMENTS EXPIRING

The 'Work Authorization Docs Expiring' case alert is just a notification that an employee's Employment Authorization Document (Form I-766) or an Arrival-Departure Record (Form I-94) document is expiring. This alert is intended to remind you to reverifiy the employee by completing Section 3 of Form I-9. The employee cannot be reverified in E-Verify.

This is simply a reminder; no action is required in E-Verify. You may dismiss each alert by clicking 'Dismiss Alert.'

This alert will only appear if the document the employee presented for the original E-Verify case was either an Employment Authorization Document (Form I-766) or an Arrival-Departure Record (Form I-94). Also, the alert only appears the first time the document expires—subsequent expirations will not activate this case alert.

**IMPORTANT:** The employee may not be reverified in E-Verify.

## 6.0 CASE REPORTS

There are four types of case reports available in E-Verify for E-Verify employer agents. These include: 'Corporate Overview of Pilot Usage,' 'Quick Audit Report,' 'User Audit Report' and 'User Report.' This section provides direction on how to create each of these reports in E-Verify.

All reports are accessed from 'My Reports' and selecting 'View Reports.'

**NOTE:** All reports display only the last four digits of an employee's Social Security number for added security and to protect employees' privacy.

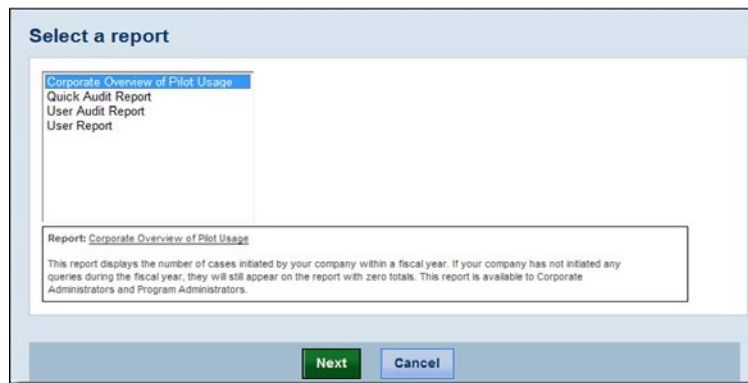

### 6.1 CORPORATE OVERVIEW OF PILOT USAGE

## 7.0 ACCOUNT ADMINISTRATION

User account administration provides individual users specific functions and permissions to update their accounts, change their password and perform other functions explained in this section.

It is important to distinguish that the user account functions are different for each user role.

### 7.1 USER ROLES

Permissions and functions in E-Verify granted to the user differ for each user role. There are two user roles: program administrator and general user.

Every E-Verify employer agent account must have at least one program administrator who provides support for the general user role and manages the E-Verify employer agent's profile. An E-Verify employer agent can choose to have general users who will only be able to create and manage their own cases. General users and program administrators must successfully complete the online E-Verify tutorial before privileges to create or manage cases are granted.

The 'User Role Functions Overview' provides an explanation of the functions of each user role:

USER ROLE FUNCTIONS – OVERVIEW					
ROLE	ADD USERS	VIEW CASES	UPDATE CASES	UNLOCK USERS	VERIFY EMPLOYEES
<b>Program Administrator</b> <i>(at least one required)</i>	x	x	x	X	x
<b>General User</b> <i>(optional)</i>		x	x		x

### 7.2 USER ID AND PASSWORD CREATION

User registration is completed by the E-Verify employer agent's program administrator. All users are assigned a user ID and initial password. Upon being initially registered by the program administrator, users receive an email with a user ID and password. E-Verify will prompt users to change the initial password for security purposes. Do not share a password with other users. Each user must have his or her user ID and password.

Passwords are case-sensitive and must be between 8-14 characters, different from the assigned user ID, changed every 90 days and have the following characteristics:

- At least one uppercase or lowercase letter
- At least one number and at least one special character - special characters include: ! @ \$ % \* ( ) < > ? : ; { } + - ~

- Contain no more than two identical and consecutive characters in any position from the previous password
- Contain a non-numeric in the first and last positions
- Not identical to the user ID

Additionally, password policy recommends that passwords should not:

- Contain any dictionary word
- Contain any proper noun or the name of any person, pet, child or fictional character, nor any employee ID number, Social Security number, birth date, phone number or any information that could be readily guessed about the creator of the password
- Contain any simple pattern of letters or numbers, such as 'qwerty' or 'xyz123'
- Contain any word, noun or name spelled backwards

An example of an acceptable password is found in the 'Password Example.'

PASSWORD EXAMPLE
<p>This is an acceptable password:</p> <p><b>IL!keH20</b></p> <ul style="list-style-type: none"> <li>▶ At least eight characters in length</li> <li>▶ An uppercase letter</li> <li>▶ A lowercase letter</li> <li>▶ A special character</li> <li>▶ A number</li> </ul>

Passwords expire every 90 days. E-Verify automatically prompts you to create a new password when the old password expires. However, if you think your password has been compromised, change it immediately.

If a user attempts to log in with an incorrect password three consecutive times, E-Verify locks him or her out. Password help contact information is listed in the information box:

If you are locked out of your user account, first try to reset your password using the link, '**Forgot your Password?**' link.

If you forget your user ID, you may retrieve it by using the '**Forgot your User ID?**' link and providing your email address when prompted. However, if you have more than one user ID associated with your email address, you must contact E-Verify Customer Support at 888-464-4218 for assistance

If you are unsuccessful at changing your password with the automatic system, contact your program administrator. If your program administrator is not available contact E-Verify Customer Support at 888-464-4218.

### 8.1 ADD NEW USER

Only program administrators can register E-Verify users. To add an additional user the program administrator must provide the user's name, phone number, fax number (optional) and email address.

If a user leaves the company or no longer needs access to E-Verify, a program administrator must delete the user's account. To delete a user's account, see 'Delete Users – Process Overview' in Section 8.2.

To update the NAICS code, follow the 'Update NAICS Code – Process Overview.'

### UPDATE NAICS CODE – PROCESS OVERVIEW

- The 'NAICS Code' page displays the NAICS code entered when your company enrolled in E-Verify.

**i** If you know your Client Company's 3-digit North American Industry Classification System (NAICS) code, please enter it and click 'Accept NAICS Code and Continue'.

If you do not know the Client Company's NAICS code, you must generate a NAICS code that is 3-digits. To generate a 3-digit code, click on 'Generate NAICS Code'. You must select your Sector and Subsector from the drop-down lists provided. If there is not a code specific to the Client Company's type of business, select the industry that best fits the company's type of work. ## ADD NEW HIRING SITE(S)

Program administrators can modify the number of hiring sites that participate in E-Verify in each state. A participating hiring site means that your company will create a case for every newly hired employee who works at that site in E-Verify.

The 'COMPANY HIRING SITES' page shows the states where the employer has hiring sites and the number of hiring sites for each state. Program administrators have the option to add hiring sites for a new state, edit the number of hiring sites in a state where the employer currently has participating hiring sites or delete a state from the hiring site list.

To add a new state where the employer has participating hiring sites, follow the 'Add New State Hiring Site – Process Overview.'

**IMPORTANT:** Once the MOU is submitted during enrollment, the information that appears on the MOU cannot be changed. However, you can update your company's information in E-Verify to reflect any changes. If you need to provide proof of your company's enrollment in E-Verify, you may print a copy of your company's information page as proof of your company's updated information.

## REMI NDER

- \* Be sure to update your E-Verify account information to reflect any changes.

## 8.4 CLOSE COMPANY ACCOUNT

Any E-Verify account may be closed voluntarily. To close an account, a program administrator, the signatory of the MOU, or an authorized company representative must submit an electronic termination request, through E-Verify, see 'Close Company Account – Process Overview,' or provide written notice to E-Verify 30 days in advance of the date that the employer would like to close the account. Employers must request termination electronically through E-Verify, or submit a written termination notice to E-Verify@dhs.gov or fax to 202-443-0215. E-Verify employer agents who choose to close their accounts should ensure that they notify their E-Verify employer agent client(s), and vice versa.

You must continue to use E-Verify in accordance with the MOU during this 30-day period or until you have received an email confirming that the account is closed, whichever is sooner. All open E-Verify cases still need to be closed, even if you request to close your E-Verify account.

**IMPORTANT:** Once an account is closed, all access to the account and its associated records is lost. To preserve the records from an E-Verify account, a complete user audit report, see Section 6.3, should be created and retained. E-Verify case information and documentation must be retained for your employees for the same length of time as their Forms I-9.

To request termination of company participation in E-Verify, complete the steps outlined in 'Close Company Account – Process Overview.'

### CLOSE COMPANY ACCOUNT – PROCESS OVERVIEW

- From 'My Company,' click 'Close Company Account.'

- Type the reason for closing the account in the 'Termination Request Reason' field.

- Click 'Request Termination.'
- A message will appear informing you that E-Verify will be notified of your site's request to

terminate participation in the program.

---

## REMI NDER

---

- \* If your company has more than one E-Verify employer agent account and the entire company is requesting termination, your company must close each E-Verify employer agent account.
- 

If you submitted a termination request by mistake, contact E-Verify Customer Support at 888-464-4218 for assistance.

**Request Name Review**

In some cases E-Verify returns a case result of 'Employment Authorized,' but the name shown as authorized does not match exactly the name you entered into E-Verify from the employee's Form I-9. This can happen because of name variations in U.S. Department of Homeland Security (DHS) records.

If the names do not match, the case must be sent to DHS for review. Taking this step ensures that the record associated with the 'Employment Authorized' case result belongs to the employee whose information was entered into E-Verify.

**Review and Update Employee Data**

In some instances, a case status of 'Review and Update Employee Data' may occur. This means that the Social Security Administration (SSA) found a discrepancy in the information it received in the E-Verify referral.
